Beaver Springs Residents

Subject: Survey of Beaver Springs Residents for Mail and Package Delivery

As discussed at the recent Beaver Springs Homeowners Association meeting, the Oakley Post Office has made significant changes to their rural parcel delivery procedures. This has negatively impacted some residents. As a result of these changes the Weber Canyon Homeowners Association, and the Pine Mountain Board are pursuing obtaining approval for rural delivery of United States Postal Service (USPS) mail delivery and a delivery location for an Amazon drop box for the permanent residents of Weber Canyon.

Utilizing the rural mail delivery from the USPS would require a change of address from your current mail delivery location Oakley 84055, or other location, to a new Kamas 84036 location.

This survey will provide data from Beaver Springs Ranch regarding our interest in having USPS mail delivery to Weber Canyon. We are providing the survey to all Beaver Springs Ranch residents for several reasons:

1. If you are a part time resident but plan to become a full-time resident please complete the survey and make a note of your plans and when you think this will occur, approximately.
2. If you not a full-time resident, but you may want to receive packages while staying at Beaver Springs and utilize the facilities (other than USPS), please complete the survey making the appropriate notations.
3. If you are a full-time resident and you receive mail delivery elsewhere, other than the Oakley Post Office. Please complete the survey and indicate if you would like to utilize the USPS facilities in Weber Canyon.

Please complete the attached survey and return it to Debbi Fugal by Friday, June 21, 2019. You can send the information by email to [dfugal@gmail.com](mailto:dfugal@gmail.com); text a picture of your completed survey to me at 435-640-0376, or send it hard copy to:
